Hi Seth,

Attached is my updated budget proposal. It includes my estimation, updated table from RAPID, and updated table from CCTE budget estimator.

Ex. 5 Deliberative Process (DP)

Ex. 6 Personal Privacy (PP) }, so there might be a delay in my responses.

Thanks,
Amanda

Hi Seth,

I am currently updating my budget now. Let me finish with the CCTE budget tool edits and I will send you a snip of that and the spreadsheet I used to estimate the costs.
